we continue to raise those monies so we can operate state government at a healthy level. Even though we have expended additional dollars this year and, as many would like to say, gone hog wild, I don't believe we have. I think what the Legislature has done is prudently address each and every issue, whether it be the budget or capital construction, and made decisions and made decisions based on information that they had. And I think we made good decisions. I don't agree with them all. Many of you don't agree with certain decisions that we made. The fact of the matter is that we deliberated and debated those as a body. A majority of the body felt that those expenditures needed to be made. We made them. Now what we need to do is protect the base that brought us the ability to make those expenditures, protect that base, not just for today but on into the future. I would urge you very strongly to return LB 739 to strike the enacting clause because it is not a bill that I think at this point in time we need to pass. Should the revenues continue to flow in as they have in the past in some of our one-time expenditures, as in LB 84, and the capital construction budget go away, revenues continue to come in...

But today, at this moment, I would urge you to return this bill to Select File so the issue of 739 can basically go away and we can pay for the, I think, good public policy that we advanced over the last week. I would urge the return of the bill.

SPEAKER BARRETT: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and I do sign LB 630, LB 640, LB 653, LB 653A, LB 683 and LB 683A, LB 705 and LB 710. Discussion on the motion to return the bill to Select File offered by Senators McFarland and Hall. Senator Abboud, followed by Senators Wesely, Lamb, Nelson and Hefner.

SENATOR ABBOUD: Mr. President, colleagues, I oppose any attempts to return this bill because I feel that any amendments that are attached to this bill at this late a date in the
