LB 813, 814

justice system. The mood of the body is such, I believe at this point in time, that the concept of supporting this I think under ordinary circumstances would have certainly been there and the strength would have followed through. I personally am very strongly committed to this process and hopefully in the future we will be able to accomplish this, but for now I would like to withdraw this motion and move on throughout the day. So I'll withdraw that.

SPEAKER BARRETT: Thank you. It is withdrawn.

CLERK: Mr. President, that completes the items I have with respect to LB 813.

SPEAKER BARRETT: Thank you. Moving then to LB 814. First item.

CLERK: Mr. President, the first item I have is by Senator Lowell Johnson. Senator Johnson would move that Section 38 of LB 814 become law notwithstanding the objections of the Governor.

SPEAKER BARRETT: Senator Lowell Johnson.

SENATOR L. JOHNSON: Mr. President and members, I respectfully request to withdraw the motion, please.

SPEAKER BARRETT: Thank you. It is withdrawn.

CLERK: Mr. President, the next motion I have is by Senator Dierks.

SPEAKER BARRETT: Senator Dierks, please.

SENATOR DIERKS: Mr. Speaker and members of the Legislature, I would like to offer a motion to override the veto of Section 9 of LB 814 which is the Atkinson State Recreation Area dam. It's a Game and Parks Commission project and we have had...it's been a kind of a roller coaster road for that project. The dam, as you know, was washed out five or six years ago. The funding was put in for the dam about three years ago, but removed at the time of the budget shortfall. And the feeling I think among most the people who are aware of that project is that this is the time when you have some extra money in the budget to get that put back in. I should tell you a little story about
