LB 936-938
LR 234

PRESIDENT: (Cavel.) Are there any of you that do have a bill that wish to put it in today? If so, indicate so that we'll know. Otherwise, we're about ready to close up shop. Anyone have a bill? Okay, we'll be through in a few minutes and then we'll ask Speaker Barrett to talk to you about tomorrow and so forth in a little bit. Thank you.

CLERK: (Read by title for the first time, LBs 936-938. See page 133 of the Legislative Journal.)

Finally, Mr. President, I have a new resolution, LR 234 by Senator Hannibal asking the members to designate the first day of every regular session as Nebraska Citizen's Day. That will be laid over, Mr. President. (See page 134 of the Legislative Journal.) That's all that I have, Mr. President.

PRESIDENT: A couple of you have asked how many bills were introduced today, and I believe the count is 120. Speaker Barrett, the Chair recognizes you for some information. (Cavel.)

SPEAKER BARRETT: Thank you, Mr. President and members. Some of you have also wondered about our agenda for tomorrow. May I suggest to you that we'll start on rules, the adoption of permanent rules tomorrow morning. That should take some time. If time remains for the conclusion of the day we will proceed immediately to committee priority bills, General File committee priority bills. You will notice on the worksheet that we'll start with 678 followed by 720.

PRESIDENT: And what about Friday?

SPEAKER BARRETT: Friday is a recess day, Mr. President.

PRESIDENT: Thank you, Speaker Barrett. It's good to see you all back and I'm sure you've had a good time just visiting with each other this morning. Senator Morrissey, would you like to adjourn us until tomorrow at nine o'clock, please.

SENATOR MORRISSEY: Yes. Mr. Speaker, I move we adjourn until tomorrow morning at 9:00 a.m.
