

language of the law did not clarify or capture that notion. There's an additional attempt to clarify language and strike the definition of a term which is not used in Supervision, Rehabilitation and Liquidation Acts, in 44-802 and 44-4803. Lastly, it indicates that there is a change here to more closely follow the NAIC commission model on Supervision, Rehabilitation Act by providing that a violation and order of the Director of Insurance would be subject to a criminal penalty or a civil penalty, but not both. We put language in the bill last year that passed that measure that indicated it would be both, but in fact it should be an either/or situation, but not both. For that reason I would move the adoption of this largely housekeeping measure brought to us by the Department of Insurance. Thank you.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. I need a little help. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 984.

PRESIDENT: The bill is advanced. May I please introduce a guest of Senator Kristensen, please. Under the north balcony we have Dr. Ed Alderman of Minden, Nebraska. Would you please stand, Dr. Alderman. Welcome to our session today. LB 856, please.

CLERK: Mr. President, 856 was a bill introduced by Senator Rod Johnson. (Read title.) The bill was introduced on January 3, referred to the Agriculture Committee, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Rod Johnson, please.

SENATOR R. JOHNSON: Mr. President, members, this is the annual Department of Agriculture cleanup bill to cover some of the areas of jurisdiction that they regulate in the state. There are three minor changes made by this bill. The first is a very minor change that affects the Nebraska Poultry and Egg Resource Act. It simply corrects the titles of two University of Nebraska - Lincoln positions that can be named as ex-officio members of the Nebraska Poultry and Egg Development, Utilization and Marketing Committee. The second change, maybe the most substantial in the bill, is some of the changes that we will
