

make to the Nebraska Pasteurized Milk Law to, in particular, to adopt by reference the most current class or Grade A pasteurized milk ordinances so that there is no lapse between states as they are transported or as these products are transported from state to state. And, finally, the last section is also minor, it simply repeals two outdated sections of law that were adopted back in 1893 that relate to certain containers of explosive gases. There was some question of whether this came under the jurisdiction of the Department of Agriculture or not. But the department and the Fire Marshall's office both agree that this section is outdated and antiquated and needs to be repealed. So that's the extent of the bill. Be happy to answer any questions, if not, I'd move for the advancement of LB 856.

PRESIDENT: Thank you. If there's no further discussion, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Please vote. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 856.

PRESIDENT: The bill is advanced. LB 851, please.

CLERK: Mr. President, LB 851 was a bill introduced by Senators Warner and Wehrbein. (Read title.) The bill was introduced on January 3, referred to Urban Affairs, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Warner, please.

SENATOR WARNER: Mr. President, members of the Legislature, this bill was introduced to provide an amendment to LB 95 that was enacted last session, which was a bill that authorized the City of Lincoln to regulate gas pipeline, which specifically turns out to be a Minnegasco constructed project. Part of that legislation required a single point of delivery for such a line. As those lines were put in it became evident that, as is usually the case with any of these pipelines, that there may be taps appropriately made along where that line goes, at the farmsteads or the residences. And what the bill does is amends LB 95 to permit that type of tap to be done. It's in support with and in concurrence by the City of Lincoln. The pipeline company, and actually the bill was worked on during the summer by the Urban Affairs Committee, because that was where the original legislation was enacted. Senator Wehrbein and I were
