

modification situations, so that the notice that is required and printed winds up being the equivalent in both situations. The measure came out, as I said, unanimously. It is the priority bill of Senator Robak. I would move for its advancement.

SPEAKER BARRETT: Thank you. Any discussion on the advancement of LB 1199? I have no lights. Senator Landis, anything further?

SENATOR LANDIS: Thank you. Just a reminder again, last year we passed the underlying principles of the written credit agreement law, a law that outlines a few exceptions, and then says if you don't fit into those exceptions, you have credit agreement, written modifications to it must be in writing, and that there are no preloan commitments unless they are in writing. That general rule is simply clarified and expanded in this bill and I move for its advancement.

SPEAKER BARRETT: Thank you. You have heard Senator Landis's closing and the question is the advancement of LB 1199 to E & R. All in favor vote aye, opposed nay. Have you all voted? Please record.

CLERK: 27 ayes, 0 nays, Mr. President, on advancement of LB 1199.

SPEAKER BARRETT: The motion prevails and the bill is advanced. LB 922, Mr. Clerk.

CLERK: LB 922, Mr. President, was a bill introduced by Senator Elmer, Morrissey, Haberman, and Baack. (Read title.) The bill was introduced on January 3 of this year, referred to Natural Resources. The bill was advanced to General File. I do have committee amendments pending by Natural Resources. (See page 678 of the Legislative Journal.)

SPEAKER BARRETT: The Chair of the Natural Resource Committee is absent at the moment. Senator Elmer, would you perhaps be able to handle the committee amendments?

SENATOR ELMER: Certainly, Mr. Speaker. LB 922 is a bill that was presented to me to bring before the body by the Oil and Gas Commission. The committee amendments adopted by the Natural Resources Committee become the bill. The original bill was a little more strict, and after negotiations between oil producers
