

February 22, 1990 LB 855, 855A, 1090

the Nebraska Sheep Council, Nebraska Poultry Industry, in strong support of the bill. We had no one opposed to the bill. We had University of Nebraska Extension and Department of Agriculture in the neutral position for information. This bill is much needed to assure continuation of federal funds. It provides assistance to both urban and rural interests in controlling unwanted wildlife such as starlings in the metropolitan areas, unwanted rodents and various types of wildlife that tend to congregate around airports, to keep the airports safe for landing, to protect young livestock against predators and I don't think that you need too much more. All of you were here last year when we debated this and I would urge the advancement to Select File, and if there are any questions from anyone, I'd be pleased to try to answer them.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of 855.
