SENATOR WESELY: I would move to divide the question and consider each of these separately.

PRESIDENT: Very good. Which one do you want to discuss first, Ann Spence?

SENATOR WESELY: Kirk Jamison I think should be first.

PRESIDENT: Kirk Jamison first. All right. This will be divided and we will speak first about Kirk Jamison. Did you wish to speak further about it, Senator Wesely?

SENATOR WESELY: All I would say is that having heard his testimony, and having known Kirk, I think he is well qualified for the position and I would support him.

PRESIDENT: Thank you. Senator Rogers, please, followed by Senator Landis, and Senator Goodrich.

SENATOR ROGERS: Mr. President, and members, I speak on behalf of Kirk Jamison. I have worked with Kirk for many, many years in the farm credit system, and I think he could do a very, very fine job in that. He has been involved in credit for many, many years. Thank you.

PRESIDENT: Senator Landis, please. Senator Goodrich, please.

SENATOR GOODRICH: Is this just the last one or is it...

PRESIDENT: Jamison.

SENATOR GOODRICH: I will save it for Spence.

PRESIDENT: Okay, Senator Wesely, please on Kirk Jamison. Okay, the question is the approval of Mr. Kirk Jamison. All those in favor of confirming that please vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the confirmation of Mr. Kirk Jamison to the Nebraska Investment Council.

PRESIDENT: Mr. Kirk Jamison is okayed. We will return to Ms. Ann Spence. Senator Landis, please, followed by Senator Wesely. Senator Landis, please.
