and found him to have extensive background and a lot of experience in the area that he has been appointed or reappointed to. He has a master's degree in civil engineering and he has continued his education, both through postgraduate work and then through the U.S. Army. He has had extensive experience also in the electrical field and was appointed to represent public utilities on the Electrical Board. From '74 to '79, he served as Director of Public Works for the City of Fremont, and then from 1979 to 1982, he was the Assistant General Manager for the Fremont Utilities Department, and since 1982, he has served as the General Manager of the Fremont Utilities Department. We voted on February the 20th to recommend to the Legislature that the reappointment of Mr. John McCafferty to the State Electrical Board be confirmed. I urge your approval of this report.
