

of drugs or failing the drug test as described in statute. In drafting these, because of the inclusion of alcohol in that particular section of statute in the testing, that was included in the bill, and we haven't discussed that issue. Were that to continue, the cost would be much different than the peak that would figure out on the estimate of \$403,000, Senator Warner. So I think this is something that we need to get a better estimate from the Department of Labor as to those who might be affected, and certainly need to, I think, make some type of arrangement to maintain a minimum level in the contingency fund through a yet to be known appropriation from the General Fund. These are things I think we need to talk about in the next few days and get together and put together an amendment to this bill to take into consideration Senator Warner's problems with the funding. Did I answer the questions?

SPEAKER BARRETT: Thank you. Any other discussion on the advancement of LB 315? Seeing none, Senator Lindsay, would you care to close on the advancement of the bill?

SENATOR LINDSAY: Thank you, Mr. President. I think it's pretty much been discussed as much as it needs to. I would just urge that the body advance this bill to increase unemployment benefits. (Laughter.)

SPEAKER BARRETT: Thank you, sir. The question is the advancement of LB 315 to E & R initial. Those in favor of that motion please vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 28 ayes, 1 nay to advance the bill, Mr. President.

SPEAKER BARRETT: LB 315 is advanced. Have you matters for the record, Mr. Clerk?
