

the requirement that right now as the bill stands, the training staff would be able to perform the functions under the direction of a physician. This would add under the direction of a physician or a registered nurse. I would urge the adoption of the amendment.

PRESIDENT: Any further discussion? If not, the question is the adoption of the Lindsay amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of Senator Lindsay's amendment.

PRESIDENT: The Lindsay amendment is adopted. Anything further on the bill, Mr. Clerk?

CLERK: Mr. President, Senator Moore and Senator Lamb would move to amend. (Moore-Lamb amendment appears on pages 1266-68 of the Legislative Journal.)

PRESIDENT: Senator Moore, are you going to handle this?

SENATOR MOORE: Yes.

PRESIDENT: Okay.

SENATOR MOORE: Mr. President and members, this amendment co-sponsored by Senator Lamb and myself is...addresses a concern that Senator Lamb has raised in other bills he has introduced and other amendments he has offered and I guess in recent weeks I've become more acutely aware of concern, well, a concern in my district and across the state about the issue once again of day care providers and who should be licensed and what is the minimum number of children that a day care provider should be caring for before they could become licensed. And, quite simply, know this amendment is not printed, but it simply raises the minimum from three to five or in other words, if you care for...present law, if you care for four or more children you have to be licensed by the state. With the adoption of this amendment it would simply change it, instead if you care for six or more children you have to be licensed by the state. Now, you know, we have probably debated and rehashed these arguments on this particular merits of this bill in licensing and I think many of us feel that licensing is something that, you know, when people take care of a larger number of children and that is
