

PRESIDENT: Thank you. The house is under call. Will you please record your presence. Please look up to see if your light is turned on. Looking for Senator Landis, Senator Langford, Lindsay, Senator Lynch, Senator McFarland, Senator Chambers. Okay, call in votes are authorized. Senator Lynch. You asked for a roll call vote?

SENATOR LYNCH: Yes, sir.

PRESIDENT: All right, we'll wait a moment. There is still a couple to come. We're looking for Senator Schellpeper, Senator McFarland and Senator Elmer. We're all here now and the question is the adoption of the amendment by Senator Lynch. A roll call vote has been requested. Mr. Clerk.

CLERK: (Read roll call vote. See page 1342 of the Legislative Journal.) 18 ayes, 7 nays, Mr. President.

PRESIDENT: The amendment fails. Anything else, Mr. Clerk?

CLERK: Yes, Mr. President.

PRESIDENT: The call is raised.

CLERK: Mr. President, the next amendment to the committee amendments I have is by Senator Warner. Senator Warner, your amendment, Senator.

SENATOR WARNER: Mr. President, members of the Legislature, this amendment appears on page 1312. It was an issue that we discussed in committee but I did not have it drafted until it was not in time to be included in the committee amendments. What this amendment does is add some language which would prohibit the drafting of a warrant for the distribution of any of the funds from the Ethanol Authority and Development Cash Fund for the financing of or investment in any ethanol facility or any private entity involved in the ethanol industry for 30 days after the Ethanol Authority would have filed with Administrative Services a study of the proposed investment which study would include an economic analysis of the facility or entity in which the investment is proposed and a cost benefit analysis of the investment. It also would state that it would be the intent that the...of the Legislature that the state investment officer would review those studies for the proposed
