SENATOR HABERMAN: Mr. President, and members of the body, I just spoke with Senator Warner and Senator Warner informed me that the Revenue Department could, at the present time, with the funds they have contract with out-of-state auditors. They have this authority to do that. They could do that without the additional money. That is where I am coming from and I would like to have this body come from. They have plenty of money. The resolution of intent will say, take your \$80,000 of all the millions of dollars that we have given you...

SENATOR HANNIBAL: Time.
