

of the ones that are listed here aren't in there.

SENATOR WITHEM: Yeah.

SENATOR HALL: And just for clarification purposes...

SENATOR WITHEM: Okay, the only one on the handout, the only one that is not included is AM2845, which was your amendment. The others are included. AM2847 we just adopted and, if you vote for this, you'll be adopting that one more time. But the only thing that is not on this...it's on the sheet of paper as a handout that is not included is A(1), which is your amendment, which we'll take up in the near future, I'm sure.

SENATOR HALL: Is...AM2949 number four under heading A is also included?

SENATOR WITHEM: That is included, yes.

SENATOR HALL: Thank you.

SPEAKER BARRETT: Any other discussion? Seeing none, Senator Withem, would you like to close on the adoption of the amendment.

SENATOR WITHEM: Yes, I would. I apologize to Senator Hefner and to Senator Hall, communication on this have been rather frantic, as you might imagine. When we thought, because of the fact that there are 20 plus amendments filed on this, at this point, with more coming up, if we could consolidate some and save the body's time, that that would be preferable. And we, evidentially, didn't get all the communications done that we should have. If Senator Hefner has problems with what we're doing with the budget limitation, after looking at it, we can certainly address that again in the future. Same with Senator Hall, I believe he had an amendment similar to what is in here. Otherwise, I think this is...makes the bill better, it deals with some of the clarification points that we needed to deal with, and I would urge you to adopt it.

SPEAKER BARRETT: The question before the body is the adoption of the Withem amendment to LB 1059. Those in favor please vote aye, opposed nay. Have you all voted? Record, please.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of
