LB 84, 1059

SENATOR WARNER: ...collected last year show the amount less LB 84, or will it show the full amount prior to...without LB 84? It would seem logical that it should show the amount without LB 84 but I...do you know how...which way it would work?

SENATOR SCHELLPEPER: I guess I'm not following you, Senator Warner, what you really...you mean last year we had LB 84 that gave 8.5 percent and you're wondering whether this shows that or what?

SENATOR WARNER: I assume that your second part here is to show the impact of the additional state support. Maybe I'm not understanding you...

SENATOR SCHELLPEPER: I'm going to let Senator Withem try to answer that, Senator Warner.

SENATOR WARNER: Well, it's not important if you don't have the answer.

SENATOR SCHELLPEPER: Senator Withem can answer that.

SPEAKER BARRETT: Senator Withem.

SENATOR WITHEM: Yes, that second portion of the amendment, as I understand it, Senator Warner, does not relate to the tax statements that go out to individuals. That is a specific line item in the budget report from the school districts.

SENATOR WARNER: That's filed to the Auditor?

SENATOR WITHEM: Yeah. So the...

SENATOR WARNER: The only thing I wanted to comment and this is not meant to be critical of legislation, it's...I'm trying to sort my way through, as all the rest of us are. But, as I understand, and we discussed this the other day with an amendment I had offered to have the income tax take effect earlier, but, as I understand it, currently we have 135 million in the bill to be appropriated the first year and it has been discussed that that would be...would...could be phased in later, that there are amendments pending that are dealing with this. But, as I understand the cap that's in here, at least from the earlier calculations, and, obviously, that cap was adjusted
