

go up. They have to. You know, if we do nothing at all this year with any bill, like 1059, property taxes will go up. So...and if we...last year with LB 84, they did not go down because there was no lid there to control the spending. With LB 1059, there is a lid, so there should be funds there for property tax relief and, hopefully, the amendment is just saying that the funds that are in excess of the budget lid will go to property tax relief. It's just a clarifying amendment but yet I think it's putting the language in the bill so that the people will say, we are getting some property tax relief. I just urge you to adopt the amendment. Thank you.

SPEAKER BARRETT: Thank you, sir. And the question is the adoption of the Schellpeper amendment to LB 1059. Those in favor of that motion please vote aye, opposed nay. Please record.

CLERK: 34 ayes, 0 nays, Mr. President, on adoption of Senator Schellpeper's amendment.

SPEAKER BARRETT: The amendment is adopted. For the record, Mr. Clerk.

CLERK: I have nothing at this time, Mr. President.

SPEAKER BARRETT: The next amendment, sir.

CLERK: Mr. President, Senator Coordsen, I understand you want to pass yours over temporarily, Senator.

SPEAKER BARRETT: Passed over. Senator Coordsen.

SENATOR COORDSEN: Yeah, I would like to withdraw that amendment now, Mr. Clerk.

CLERK: Thank you, Senator.

SPEAKER BARRETT: It's withdrawn.

CLERK: Mr. President, the next amendment I have to the bill is by Senator Conway. Senator, I understand you would like to withdraw and substitute your AM3099. Is that correct?

SENATOR CONWAY: Yes, if I could.
