LB 1059

health care costs are going up 20 and 30 percent and more. This would have an adverse impact under the budget limitations currently in the bill. It doesn't seem particularly fair to do that, and so with that, I would ask for your support for the amendment.

PRESIDENT: Thank you. The question is the adoption of the Wesely amendment. All in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 7 ayes, 16 nays, Mr. President, on adoption of the amendment.

PRESIDENT: The amendment fails. Do you have something else, Mr. Clerk?

CLERK: Mr. President, I do. Mr. President, the next amendment I have to the bill is by Senator Moore and Senator Withem. Senator, I have AM3089 in front of me.

SENATOR WITHEM: I will withdraw my half of it. Senator Moore is not here. We will withdraw that at this time.

CLERK: Would you like to withdraw the first half or the second half, Senator?

SENATOR WITHEM: Every other word would be fine.

CLERK: Every other word, very good.

PRESIDENT: Why don't we just withdraw the whole thing?

SENATOR WITHEM: Let's do that.

PRESIDENT: Okay, thank you, it is.

CLERK: Mr. President, Senator Schmit would move to amend. Senator Schmit is excused until he arrives, I believe.

PRESIDENT: Do we have another one we can take in its place or will that work out?

CLERK: Senator Warner has the amendment following Senator Schmit's amendment. He is excused.
