

haven't supported many amendments on this bill, and, Senator Warner, this is one of the hardest amendments that I have to vote for because it is reasonable, so I am going to vote for it, and you owe me one and I will tell you when to pay me back.

PRESIDENT: Senator Korshoj, please.

SENATOR KORSHOJ: Mr. Speaker, and members, I have a question for Senator Warner.

PRESIDENT: Senator Warner, please.

SENATOR KORSHOJ: Wouldn't it cause a lot of bookkeeping problems to have a middle of the month cut off for a sales tax increase? I see a lot of problems out in the retail field, not major, major, but it sure would be a good bookkeeping problem.

SENATOR WARNER: I indicated that that could certainly be a possibility, although I suppose theoretically whether you change it June 30th or July 10th, as a practical matter, isn't maybe that significant, but the problem, as I would think one would want to avoid, is not being able to increase it at all in the event that the effective date of the act...

SENATOR KORSHOJ: And if we waited until the first of the next month, we would naturally lose some revenue...

SENATOR WARNER: Right.

SENATOR KORSHOJ: ...but we would not know how great a loss it would be. I do see some problems there, but I know we have got to get it started as soon as we can. Thank you.

PRESIDENT: Thank you. Senator Warner, would you like to close on your amendment. There is no closing. The question is the adoption of the Warner amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 29 ayes, 1 nay on adoption of Senator Warner's amendment, Mr. President.

PRESIDENT: The Warner amendment is adopted. Mr. Clerk.

CLERK: Well, Mr. President, Senator Chambers, I assume you want to defer.
