

SPEAKER BARRETT: Senator Ashford. It is withdrawn.

ASSISTANT CLERK: Mr. President, the next amendment, we're back to the Bernard-Stevens amendment that was...

SPEAKER BARRETT: It is withdrawn.

ASSISTANT CLERK: That's all I have on the bill, Mr. President.

SPEAKER BARRETT: We are back to the matter of advancing or not advancing LB 315. Senator Morrissey, it is debatable, would you care to discuss the matter? Senator Morrissey. Thank you. Senator Coordsen.

SENATOR COORDSEN: Thank you, Mr. Speaker. Yes, we have sent a message, haven't we? We have sent a message, maybe a little subtle, but the will of the body is to send a message with a vote on this bill not only that we want to increase the unemployment, which is justifiable, but we have sent a message with this bill in a nation that's working for a drug free workplace that it's not important in Nebraska, that you can be totally disqualified from taking a couple pencils home from work but not for peddling crack to your co-workers. We have sent a message, oh yes, we have sent a fine message. Thank you.

SPEAKER BARRETT: Thank you. Senator Ashford, discussion on the advancement of the bill? Thank you. Senator Morrissey. Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, Senator Coordsen almost tempted me to rise to debate but I won't do it.

SPEAKER BARRETT: Thank you. Any other discussion? Senator Lindsay, would you care to...

SENATOR LINDSAY: I move that LB 315, as amended, be advanced to E & R for Engrossment.

SPEAKER BARRETT: Thank you! Any other discussion? Record vote has been requested. Those in favor of the advancement of LB 315, please vote aye, opposed nay. Voting on the advancement of the bill. Please vote if you would care to vote. Please record.
