LB 866A, 1055
LR 395

you bet on a horse race, the only way you know what you're going to get is after all of the money has gone into the pot, the track has taken its, the taxes have been taken out and then you divide what's left among the people. But, in addition to that, the track is going to skim some more off. So I think this amendment is imminently fair. That's all that it does is try to bring a measure of fairness to this activity. So I hope that you will adopt this amendment.

SPEAKER BARRETT: Thank you. The question is the adoption of the Chambers amendment to the amendment which is the divided question, Section (a), which is Sections 1, 2 and 9, which deal with racing. Those in favor of the adoption of that amendment to the amendment please vote aye, opposed nay. Have you all voted? Senator Chambers.

SENATOR CHAMBERS: I would like a record vote.

SPEAKER BARRETT: A record vote has been requested. Record, please.

CLERK: (Record vote read. See pages 1643 of the Legislative Journal.) 1 ayes, 17 nays, Mr. President, on adoption of the amendment to the amendment.

SPEAKER BARRETT: The motion fails. Mr. Clerk, have you items for the record?

CLERK: I do, Mr. President. Mr. President, Reference Report on a gubernatorial appointment. (See page 1643 of the Legislative Journal regarding appointment of Laurie Camp, Commissioner of Industrial Relations.)

Mr. President, a new A bill, LB 866A, by Senator Lamb. (Read by title for the first time. See page 1644 of the Legislative Journal.)

That's all that I have, Mr. President.

SPEAKER BARRETT: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and I do sign LR 395. Mr. Clerk.

CLERK: Mr. President, Senator Chambers would move to amend the committee amendments. Would you like me to read, Senator?
