He ruled that, in fact, there had been. My motion that we're discussing now is to overrule the Chair on that issue of whether or not he should have called the question. So I hope you will vote to overrule the Chair. Then we can continue the debate on the original reconsideration motion which was aimed at discussion of Senator Landis's motion to return that he originally offered. So, what I need in this vote is a green light.

PRESIDENT: Thank you. The question is, shall the Chair be overruled? All those in favor vote aye, opposed nay.
