LB 1055, 1155

and gentlemen, I happen to believe firmly in the bill. I happen to believe in the rights of the unborn. I have here a whole series of letters, most of them are thank you letters, Commonwealth people, LB 1155, or LB 1055, the race horse bill, whatever it is, all thanking me for my vote on the bill, a couple saying, you know, you should have voted for this bill or that bill, but most of them are thank you letters. Ladies and gentlemen, you are never going to get a thank you letter from the unborn. You are never going to get a thank you letter from the person who doesn't have a chance to live. You have to exercise your own conscience. If you believe as I do that the unborn are a person, then you have to vote to override. If you don't, exercise your convictions. That is all I ask. Thank you.

PRESIDENT: Thank you. The question is, shall the agenda be overridden? All those in favor vote aye, opposed nay. Senator Labedz.

SENATOR LABEDZ: I would like to have a call of the house and call in votes.

PRESIDENT: The question is, shall the house be under call? All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 22 ayes, 1 nay, to go under call, Mr. President.

PRESIDENT: Thank you. Now the house is under call, will you please record your presence. Those not in the Chamber, please return and call in votes are authorized. Please look up to see if your light is on. Senator Landis, please. Thank you.
