

SENATOR WESELY: This is just statistical to keep track of what's happening out there.

SENATOR CHAMBERS: Okay.

SENATOR WESELY: It's a very small...

SENATOR CHAMBERS: But no...nothing that would identify the individual.

SENATOR WESELY: No, no, no, this is statistical.

SENATOR CHAMBERS: Okay.

SPEAKER BARRETT: Senator Goodrich, please. Senator Goodrich on the Wesely amendment.

SENATOR GOODRICH: Question of Senator Wesely if he's around.

SPEAKER BARRETT: Senator Wesely.

SENATOR GOODRICH: Senator Wesely, what I'm curious about and I was trying to get the answer before you got done talking there, but I didn't quite get it. It says in your amendment it says a law enforcement agency shall notify the department, I presume that's the Department of Welfare, whatever department that is, whether or not an investigation is undertaken by the law enforcement agency. Such notification shall be made on the next business day following the receipt of the report. What does that mean? The receipt of the report of the investigation?

SENATOR WESELY: No, no, the report concerning abuse or neglect, somebody calls in or reports in.

SENATOR GOODRICH: Okay, now does that...have you checked anywhere with the Department of...the highway patrol or whatever investigative bodies you're talking about relative to are they in violation of any problem, any code, any confidentiality requirements if they report...

SENATOR WESELY: No, no.

SENATOR GOODRICH: ...to the Department that they are conducting an investigation?
