LB 431, 854, 866A

SENATOR WITHEM: Senator Labedz, it is my intent, I have a motion filed to bracket 239CA. I want to discuss 239CA a little bit and then let the body decide whether they want to bring it up or not.

SENATOR LABEDZ: Thank you.

SENATOR WITHEM: I will the bracket motion to be debated and will bring it to a vote and however the body votes, it's their choice.

SENATOR LABEDZ: I just discussed with the Speaker a moment ago on the agenda, LB 239 (sic), and I can understand his reasoning. It was passed over yesterday. By all account it should be at the bottom of the list, but he said, and I know the confusion yesterday, the agenda was printed before we adjourned, well it was very close to the time that we adjourned because I remember picking it up after we adjourned, and actually 239CA should be below LB 866A. SPEAKER BARRETT: Senator McFarland, you are recognized.

SENATOR MCFARLAND: I'll just withdraw the motion, Mr. Speaker.

Perhaps a point needs to be made with the withdrawal of the motion and so forth that the Chair has effectively ruled today then that there will be no other motions recognized to overrule the Speaker's order, and I think that should be made clear. Thank you. Mr. Clerk.

CLERK: Mr. President, LB 431 is on Select File. Enrollment and Review amendments were adopted last year. There was an amendment by Senator Wehrbein adopted to the bill, as one from Senator Wesely. Mr. President, Senator Wesely would now move to amend and, Senator, your amendment is on page 1807 of the Journal.

SPEAKER BARRETT: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Mr. Speaker, before you leave, I just want to have, instead of going up there and discussing, I just
