LB 431, 1043
LR 421

CLERK: I have nothing further on the bill, Mr. President.

PRESIDENT: Senator Hall, you wish to speak on the advancement of the bill? Senator Wesely, would you like to... there are no other lights on so would this be your closing...

SENATOR WESELY: Yeah.

PRESIDENT: ..for the advancement of the bill?

SENATOR WESELY: Yes. Thank you, Mr. President and members. Appreciate the concerns some have expressed on this legislation. Again, I reiterate, the bill came out of committee as a committee priority bill. I appreciate Senator Hall and the Revenue Committee advancing it. It got lost on General File and we did amend it into this bill. We negotiated further with the State Chamber, the Omaha Chamber. We have been in communication with the Revenue Department. I believe there is support for this legislation. I really believe strongly that this will be of benefit to the state to have this information. We've talked about it for a long time. We worked on it for a long time. There's been a lot of hard feelings about it. We finally reached some agreement. It's not all I want. It's less than I want. I wish we could get more, but it's enough to make me feel that we're taking a step forward, that the public will be allowed to have more information and so, with time running out, I'd ask very much for your support to advance the bill.

PRESIDENT: Okay, we're still under call, ladies and gentlemen. Would you please return to your seats and the question is the advancement of the bill. All those in favor say *aye*. Opposed nay. It is advanced. Mr. Clerk, anything for the record?

CLERK: Just one item, Mr. President. New resolution, LR 421 by Senator Moore. That will be laid over and considered another day, Mr. President. And Senator Lynch would like to add his name to LB 1043 as co-introducer; and Senator Hannibal withdraw his name as co-introducer to 1043. That's all that I have, Mr. President. (See pages 1876-77 of the Legislative Journal.)

PRESIDENT: Mr. Speaker, did you wish to give us any words of wisdom before we depart for lunch? Okay. Would you like to make a motion.
