LR 11, 239

SENATOR CROSBY: Thank you, Mr. President. You think we aren't going to get the end of Final Reading, is that it?

PRESIDENT: Well, there is always the possibility.

SENATOR CROSBY: All I wanted to say and I am not going to make any big speech about Arbor Day because we all know how we feel about trees in this state, and Arbor Day is upcoming. It is also going to be Earth Day. You see a little tree here between Senator Rogers and me, and each one of you is having one of these delivered to your office today in recognition of Arbor Day, and it is through the courtesy of the Lower Platte South Natural Resources District, and I thank them for that, and I hope you enjoy your tree and plant it someplace or give it to someone to plant. And the other thing, I do want to say that Frank Marsh, our State Treasurer, was instrumental in getting the Lower Platte South to give us these trees. So, thank you.

PRESIDENT: Thank you. We will move on to LB 11CA (sic). Please return to your desks, ladies and gentlemen. Thank you. Mr. Clerk.

CLERK: (Read LR 11CA on Final Reading.)

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LB 11CA (sic) pass? All those in favor vote aye, opposed nay. It required 30 votes. Have you all voted? Have you all voted? Record, Mr. Clerk, please.

CLERK: (Read record vote. See page 2010 of the Legislative Journal.) 34 ayes, 11 nays, 4 present and not voting, Mr. President.

PRESIDENT: LR 11CA passes. LR 239CA.

CLERK: Mr. President, I have a motion. The first motion is by Senator McFarland. Senator McFarland would move to return LR 239CA to Select File for the purpose of striking the enacting clause.

PRESIDENT: Senator McFarland, please.
