LB 520A, 678, 880

vetoed makes it difficult, of course, to accomplish that goal. Although last session we did pass and did make some improvement in that area. So the Title XX issue remains to be addressed. The training issue of our day care provides remains, and I think that is an issue we need to readdress. Coordination of child care in this state is nonexistent, we need to work together and try and bring about changes in that area. And the ABC bill before the Congress is pending and likely to pass, and we will see, on the federal level, some major initiatives, perhaps, by the end of the year. So what I'm saying is there are many other issues I could bring up in child care that we need to look at, LB 678 would have helped us address those issues. With the Governor's veto and with concerns expressed by some of my colleagues, I'm not going to actually go ahead with a vote on this override, and I'm very disappointed about that. I wish children were a higher priority. I wish children would be able to receive the kind of assistance and help that they deserve, but we've done some, and I appreciate that. We haven't done enough. I guess we'll just have to see if we can't come back next year and do more. With that, I'd withdraw my motion to override LB 678's veto.

PRESIDENT: The motion is withdrawn. Move on to LB 520A, please.

CLERK: Mr. President, the next motion I have is on LB 520A by Senator Schellpeper.

PRESIDENT: Senator Schellpeper, please.

SENATOR SCHELLPEPER: I'll pull that one.

PRESIDENT: It is pulled. LB 880.

CLERK: Mr. President, Senators Lindsay and Chizek would move to override the Governor's veto of LB 880.

PRESIDENT: Senator Lindsay, please.

SENATOR LINDSAY: Thank you, Mr. President and members. This body...this motion has been filed to override LB 880A. What 880 is is the bill to add two additional district judges to the district court system. And I apologize for the grin as Senator Chambers walks in waiving. The Douglas County system has been getting overloaded since the last time a district judge was
