

CLERK: Mr. President, I have received from the Reference Committee reference reports referring LBs 1-9 as introduced yesterday. I have also received a reference report regarding certain gubernatorial appointees to the appropriate standing committee for confirmation hearing. (See pages 66-68 of the Legislative Journal.) Mr. President, pursuant to receipt of the reference report, I have a motion on the desk. Senator Schmit would move to rerefer LB 1, LB 2, LB 4, LB 5, LB 6, LB 7, LB 8 and LB 9 to General File, pursuant to Rule 6, Section 2.

SPEAKER BARRETT: The Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President and members, I will not speak at great length at this time because there will no doubt be others who will wish to address the issue. I just would like to offer this motion because I want to point out that the reason for a public hearing, of course, is to provide the public an opportunity to come before the committee, present their point of view on a proposed piece of legislation. At this time, I doubt that hardly any members of the public do have before them any copies of the bill. Most certainly, they do not have before them the rewritten copies of LB 1, which I have seen, which I understand is still undergoing some change. Number two, I want to point out that I believe that, depending upon whether or not Senator McFarland receives sufficient signatures to extend the session or to expand the session, that the bills ought to be discussed and debated by the entire body. I have read many comments by the members who have indicated that the bills, LB 1, LB 2 and LB 3, at least, were going to be passed and, in fact, one of our colleagues said that he didn't know what was in them, didn't know if they were good or bad but that they would probably be passed. I don't think that reflects probably the total consensus but I think, it all honesty, it's an honest consensus and I certainly do not criticize the member for having been so frank. More than anything else, I believe that we ought to have all members involved in the process. I have introduced before the Revenue Committee many bills, in the past years that I have been there, very few, I might add, that have seen the legislative floor. I would like to suggest that it might have been a little less burdensome in this regard today had some of those bills made it to the floor. I would suggest that some of the bills that have been introduced, not...by the Governor, and not to pick on those bills or on Senator Warner's bills, some of the bills that I have introduced, some of the bills that Senator
