

November 15, 1989 LB 6, 7

And with that I'd urge you all to defeat Senator Landis' amendment.

PRESIDENT: Senator Lamb, please.

SENATOR LAMB: Mr. President, members, Senator Landis just ruined my speech.

SENATOR LANDIS: It wasn't that good to begin with, Howard, it's okay. (Laughter.)

SENATOR LAMB: I understand that he's recommending that his amendment be...is this correct, Senator Landis? You're recommending that your amendment, or the committee am...this be stripped out of the committee amendment. Is that correct, and put on LB 6?

SENATOR LANDIS: That's right.

SENATOR LAMB: That's good, that's good, that's good. I think...What I was going to say, and I will not say it since he's already said it, (laughter) is that the issue is not the corporate income tax rate. The issue...Because I may very well agree with Senator Landis on what the rate is. But it should not be in this bill because it jeopardizes the bill under the call. And to try to put it into LB 6 is much better as far as I'm concerned. And I would ask also that that be stripped out.

PRESIDENT: Thank you. Senator Wehrbein, please, followed by Senator Schmit and Senator Labeledz.

SENATOR WEHRBEIN: Question.

PRESIDENT: Question has been called. Do I see five hands? I do. The question is, shall debate cease? All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on the motion to cease debate.

PRESIDENT: Debate has ceased. Senator Hall, do you wish to close on the portion of the committee amendments.

SENATOR HALL: Mr. President, I would move that the final portion of the committee amendments be adopted.
