SENATOR LINDSAY: Thank you, Mr. President and members. I rise today to place my name in nomination for the Vice Chair of Executive Board. Over the past couple of years I have tried to watch the Legislature to see how it works and try to learn from that, and I think I have. The Executive Board will be handling some sensitive issues over the next couple of years. I think my experience not only in law, but my experience here that I've...as watching and seeing what is going on will help me in serving in the position as Vice Chair. I can assure you that I will perform with hard work, with honesty. I think I have tried to be straightforward my first two years here and I can promise you I'll try to be straightforward as long as I remain here. I would ask for your support in the election. Thank you.

PRESIDENT NICHOL: Thank you. Senator Peterson, please.

SENATOR PETERSON: Mr. President and fellow senators, I'll be short. As you know, if the new ones are taking office today will find me to be short and to the point. I am placing my nomination for Vice Chairman of the Executive Board before you today and ask for your support to serve as Vice Chairman of Exec Board for two more years. I have worked hard and provide a fair and honest approach to all the issues we have been confronted with. This job does take quite a bit of time, but in...not only in the session but during the interim I pledge to work hard. I have attended...my attendance record at all the meetings I have is about 99.9 voting record being there. I do have the time to devote to being Vice Chairman of Exec Board which is very important to be there. There is just one more thing I'd like to say. All my life and even more so since I have been in the Legislature, I have taken a common sense approach to every issue I face. I ask for your support and I pledge, if elected, to work for all of you and in the best interests of the State of Nebraska. I ask for your support. Thank you.

PRESIDENT NICHOL: Thank you. Are there other nominations? Are there other nominations for Vice President of Executive Board? senator Hall.

SENATOR HALL: I move the nominations be closed.

PRESIDENT NICHOL: You have heard the motion. All in favor say aye. They are closed. The ballots are on your desk. Is that correct, Mr. Clerk? The ballots are on your desk. Please mark
