

January 14, 1991

the motion to...voting on the motion to adopt the permanent rules. Senator Lynch, would you like to close?

SENATOR LYNCH: Madam President, members, I would simply move with the threat of having my brains blown out if I do...say any more. Well, (chuckle) I didn't know if it was a gun or your finger to tell you the truth, Ernie. Gosh, that reminds me of a story but I can't tell you right now. But, anyhow, Madam Chairman, I'd move we adopt the permanent rules as amended.

PRESIDENT MOUL: Thank you, Senator Lynch. We will now proceed with the vote. All those in favor of the motion to adopt the permanent rules please vote aye, all those opposed please vote nay. Have you all voted? Mr. Clerk, please record the vote. A record vote has been requested.

CLERK: (Record vote read. See page 169 of the Legislative Journal.) 33 ayes, 12 nays, Madam President, on adoption of permanent rules.

PRESIDENT MOUL: The permanent rules have now been adopted. Mr. Clerk, do you have any messages and other business to come before us? I will next recognize Speaker Baack for announcements.

SPEAKER BAACK: Thank you, Madam President. One announcement that I have that everyone should be aware of is we will begin committee hearings next Tuesday, the 22nd of January, so I would remind committee chairs that if they want to schedule hearings for that day, they have to have their notices into Patrick for hearings by tomorrow when we adjourn. So they do have to have those in if they want to have hearings on next Tuesday. We will begin then. I think that is all that I have.

PRESIDENT MOUL: Thank you, Senator Baack. Senator Rogers, do you still have an Ag Committee caucus scheduled under the north balcony? That is all done, okay. Mr. Clerk.

CLERK: Madam President, I do have a series of announcements, messages, what-have-you. Transportation Committee will be meeting underneath the north balcony upon adjournment; Transportation underneath the north balcony upon adjournment. A reminder, Reference Committee will meet at one o'clock in Room 2102; Reference Committee, one o'clock, 2102. Appropriations Committee will meet in Room 1003 at two o'clock;
