

January 15, 1991

have Mary Lee, Eric and Colon Olson from Lincoln and they are in the north balcony. Would you stand and be recognized by the Legislature. Thank you for visiting us. A couple of announcements, the Reference Committee will meet in 2102 at one o'clock this afternoon, and also you might keep it in mind that there is a possibility that on Friday may be the last day of requests for new bills. We haven't determined that for sure yet, but it may be. Friday at five o'clock may be the last day for introduction...for requests for new bills to the Bill Drafters Office so you might want to keep that in mind. Senator Beyer, would you like to adjourn us until tomorrow morning at nine?

SENATOR BEYER: Mr. Speaker, it would be my pleasure to adjourn us until 9:00 a.m., January 16.

SPEAKER BAACK: You have heard the motion, all those in favor say aye. Opposed no. It is carried. We are adjourned.
