

January 25, 1991 LB 63, 94

urge you advancing LB 63 to E & R.

PRESIDENT MOUL: Thank you, Senator Hall. Now recognize Senator Beutler.

SENATOR BEUTLER: Mr. Chair, members of the Legislature, I think I understand better and I think I understand what is being done. I think the language of the statute is very confusing, but I wish to apologize for taking so much time. I think that...I understand what is sought to be done and I think that that is not contrary to any policy that we have established. Thank you.

PRESIDENT MOUL: Thank you, Senator Beutler. Seeing no one else wishing to speak on this issue, Senator Beyer, do you have a closing statement?

SENATOR BEYER: Madam Chair and colleagues, I appreciate all the comments that have been made, explained it far better than I could. We have had in various areas sewer extension districts. We've had city street improvement districts. Now maybe they did those illegally, but they have been done, but this here is what the county come up with and figured they needed to be able to be legal and it would help all parties intended and with that I would appreciate your vote for advancement.

PRESIDENT MOUL: Thank you, Senator Beyer. We will now proceed to vote on the motion to advance LB 63 to E & R. All those in favor please vote aye, all those opposed please vote nay. Please record, Mr. Clerk.
