

opportunity later in the session to put their money where their mouth is, so to speak, on this issue. The folks Senator Withem talked about have requested \$75,000 that would help leverage a large match...a large amount of federal funds that Senator Withem talked about. But wholeheartedly support the resolution and I'm sure the body will contemplate what further we need to do to put our money where our mouth is later on down the road. I support the resolution.

PRESIDENT MOUL: LR 50 is adopted. LR 51.

CLERK: LR 51 introduced by Senator Abboud, Beyer, Horgan and Chizek, found on page 1011, congratulates the Millard South High boys' basketball team.

PRESIDENT MOUL: Senator Abboud.

SENATOR ABOUD: Madam President, colleagues, this resolution honors the Millard South High School boys' basketball team which won the Class A Boys' State High School Basketball Championship last week in a 66 to 47 victory over Bellevue West. They have had an outstanding season this year, winning nearly all of their games, 22 out of the 25 that they did play. And it's more of an honor to the basketball program that they have had that they won this championship. They have always had an outstanding basketball program at Millard South under Coach Ribble and they seem to get the players motivated year after year to consistently have an excellent basketball program. And I think it says a lot about the high caliber of the coaching staff that they have there at Millard South. And I was quite happy to see them win an additional state championship. This particular resolution honors this high school team with the resolution by the Legislature. Thank you.
