PRESIDENT MOUL: The confirmation report is adopted.

CLERK: Madam President, Senator Withem, who is Chair of Education, would report a number of members to the School Restructuring Commission. The report is on page 1027.

PRESIDENT MOUL: Senator Withem.

SENATOR WITHEM: Yes, Madam Chair and members of the body, on page 1027 is the list of the individuals who were appointed by the Governor to serve on the School Restructuring Committee. I should point out that these are not all of the names that were submitted. We did have a hearing yesterday and that appointment will probably be far more controversial and we will be dealing with that one next week. But these are fairly noncon...are quite noncontroversial and are individuals that should be confirmed. So I would appreciate your support.
