

March 13, 1991      LB 133, 420A, 420

PRESIDENT MOUL:      Thank you, Senator Kristensen.      Senator Beutler.

SENATOR BEUTLER:      Madam President, I think this amendment is taking too much time.      I am putting this amendment up as a matter of philosophy and I believe it to be correct.      But if the sponsors of the bill and those most interested are not interested in discussing that particular philosophy at this point, I don't think it's worth spending time on.      So I would withdraw the amendment.

PRESIDENT MOUL:      Thank you, Senator Beutler.      The amendment has been withdrawn.      Mr. Clerk.
