

March 13, 1991 LB 253, 305

statute the language that was intended by the passage of LB 272A and then by the passage of the legislative resolution LR 450 at the end of the session last year. I would urge the adoption of the amendment. The Commonwealth depositors came in yesterday, supported the amendment, clearly were in concurrence with the change, although it doesn't change the intent. As the bill was introduced, the change does make the language match the intent. With that I'd yield any time I have to Senator Landis.
