

requirements necessary for licensure." Basically, we are saying this is the last step prior to the actual license being issued and the facility being built is that the State of Nebraska would accept the title to the property as required by compact law. Secondly, there is a referencing error in the legal description on line 15, where it says, "Highway 14", it should say, "Highway 12". That is the committee amendments. They are technical in nature but I would be happy to answer some questions if there are any.

SPEAKER BAACK: Thank you, Senator Rod Johnson. Questions on the committee amendments or discussion? Senator Dierks. He waives off. Is there anyone wishing to discuss the committee amendments? Seeing no one, Senator Rod Johnson, do you wish to close? He waives closing. We will now proceed to vote on the committee amendments to LB 748. All those in favor vote aye, opposed vote no. We're voting on the committee amendments to LB 748. Have you all voted? Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the committee amendments.

SPEAKER BAACK: The committee amendments to LB 748 are adopted. We will now go to the Chair of the Natural Resources Committee, Senator Rod...do you have something further on the bill? Senator Rod Johnson, we do have another amendment, do you want to talk about the bill first before we do the amendment?

SENATOR R. JOHNSON: Well, Mr. Speaker, Senator Elmer who is also a co-sponsor and is the priority...who has given this bill his priority designation I think would like to open. So I will...I will waive my statements and allow Senator Elmer to do the opening.

SPEAKER BAACK: Senator Elmer.

SENATOR ELMER: Thank you, Mr. Speaker. Maybe we could take up the amendment which is mine and that's a very technical change in the description. It was discovered after the committee amendments in the bill had been advanced. And it is on Journal page 1135. And it's simply, on page 3 of the green copy of the bill, on line 11, is part of a description showing a line drawn by degrees, minutes and seconds, and it says, south 0 degrees 10 minutes 54 seconds, and it should say, south 0 degrees
