

April 3, 1991

LB 732

calendar year 1990 was 1,270. I set the base, I just go up...

SENATOR HALL: You set the base at the next rounded up number...

SENATOR KRISTENSEN: ...to 1,300.

SENATOR HALL: ...to 1,300.

SENATOR KRISTENSEN: Right.

SENATOR HALL: What has been the increase on a calendar year for the last five years? What has it averaged about, do you know?

SENATOR KRISTENSEN: If you will look...and there is a handout that I passed out, it's called Figure 2. It's got a page 18 at the bottom. It's called Estimated Future Case Filings. It's plotted there what each numbers of the filings have been since 1970. So I haven't averaged those for the last five years but you can see...

SENATOR HALL: And this is what your comment was reflective of when you said by the year 2000?

SENATOR KRISTENSEN: Yes.

SENATOR HALL: Okay.

SENATOR KRISTENSEN: Uh-huh.

SENATOR HALL: All right. Thank you.

SENATOR CONWAY: Thank you, Senator Hall. The next speaker is Senator Beutler.

SENATOR BEUTLER: Not on the amendment.

SENATOR CONWAY: Passes. Senator Kristensen, your light is next.

SENATOR KRISTENSEN: Thank you, Mr. Chair. I would...I would agree with Senator Moore's amendment. I don't have a problem with it. I don't think it does anything any differently. The reason I put the "shall" in there was so the "Governor shall" is still a funding decision but, members, I have no problem with what Senator Moore is going to do. I think his intentions are
