too, wanted to comment that this is an amendment offered by Senator Labeledz that I will be supporting as well and I notice that Bernice, my good friend, Senator Labeledz, mentioned that she never agreed with me on this issue, so I wanted to put this to light, Senator Labeledz. You may want to vote against your amendment to be consistent so we don't agree on this one as well, otherwise we may have to say that from time to time we do actually agree. Thank you.

SPEAKER BAACK: Thank you, Senator Bernard-Stevens. Any other discussion? Senator Labeledz, do you wish to close on your amendment?

CLERK: 18 ayes, 0 nays, Mr. President, on adoption of Senator Labeledz's amendment to the Schimek amendment.

SPEAKER BAACK: The amendment to the amendment is adopted. We're now back to the amendment as amended. Is there any discussion on the Schimek amendment as amended? Senator Chambers.

SPEAKER BAACK: Senator Labeledz, would you respond, please.

SENATOR CHAMBERS: Are you going to support this amendment as amended?

SENATOR CHAMBERS: We have two times then in succession when Senator Labeledz and I are agreeing on one of these bills. Thank
