

Vehicles Department the clerk said, oh, I'm very familiar with your problem, Senator Nelson, there's a real problem in Omaha and I know all about it and I know what this has caused and I had to have tongue in cheek. Why in the world didn't you tell Senator Schimk when you drew up her amendment? But, anyhow, that's how it goes. And I want to have you know, this is a revenue increaser, a very, very minute amount, of course, but it does add another license or two. With that, I must move to return it to Select File.

PRESIDENT MOUL: Thank you, Senator Nelson. We will now vote on the motion to return LB 333 to Select File. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 37 ayes, 0 nays, Madam President, on the motion to return the bill.

PRESIDENT MOUL: We are in Select File then on LB 333. Have a motion on the desk, Mr. Clerk.

CLERK: Senator Nelson's amendment is on page 1588, Madam President.

PRESIDENT MOUL: Senator Nelson.

SENATOR NELSON: I would just move to return it again to Select File for the amendment found on page 1588. Am I doing that correctly?

PRESIDENT MOUL: Just move the adoption.

SENATOR NELSON: For the adoption.

PRESIDENT MOUL: Okay, is there anyone who wishes to speak on the motion to adopt the Select File amendment? Seeing none, we will proceed with the vote. All those in favor of the amendment please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 35 ayes, 0 nays on the motion to adopt the Select File amendment, Madam President.

PRESIDENT MOUL: The amendment is adopted. Senator Will.
