

April 24, 1991

LB 91, 773

some kind of a reasonable balance can be viewed as a whole for our whole tax structure and not this piecemeal, which there is no good reason to vote no other than it will expand to something more.

PRESIDENT MOUL: Thank you, Senator Warner. Senator Labeledz. Senator Labeledz. Senator Hall.

SENATOR HALL: Very briefly, Madam President, much of what Senator Warner and Senator Landis say is accurate. It clearly is a judgement call. I have on virtually every other exemption, many times, given the same type of speech. In this case, again, it's an issue close to home, very close as a matter of fact, it's only a mile away. But it is, I guess something that we have to take a look at. I am doing nothing more than my duty in this case. I recognize the problems that are out there that it could lead to and still offer the amendment for your support. I would urge that and hope you can see your way to vote yes on this one.

PRESIDENT MOUL: Thank you, Senator Hall. Senator Will.

SENATOR WILL: Thank you, Madam President, I move that we recess until one-thirty.

PRESIDENT MOUL: Are there any items on the desk?

CLERK: Amendments to be printed to LB 91 by Senator Withem, Madam President. That is all that I have. (Amendment appears on page 1801 of the Legislative Journal.)

PRESIDENT MOUL: Thank you, Mr. Clerk. You've heard the motion to recess until one-thirty. All those in favor please say aye. Opposed nay. We are in recess until one-thirty.
