LB 652, 703, 855

LB 652; and Senator Ashford to LB 703. That's all that I have. (See pages 2003-07 of the Legislative Journal.)

SPEAKER BAACK: Senator Moore.

SENATOR MOORE: Yes, Mr. Speaker, before I move to adjourn, tonight the Education Committee, directly upon adjournment, is going to have the hearing on LB 855, the teachers certification fee bill. Since the Appropriations Committee briefing, it was one of the reasons we had it tonight was for the members of the Education Committee. We are going to allow about a half hour or however long it takes to complete the hearing, over in 1520, I believe, on the south side. When that's done we will meet in 1517 on the north side for our Appropriations Committee informational question and answer sessions for the remainder of the agencies who were not here last night. So it will be...we think in about a half hour we can take care of the first hearing, so approximately at four-thirty we will meet, then the Appropriations Committee will meet.

SPEAKER BAACK: Do you want to...do you want to move to adjourn while you're there?

SENATOR MOORE: Oh, more details there. I move we adjourn until 9:00 a.m., May 9th.

SPEAKER BAACK: You've heard the motion to adjourn. All those in favor say aye. Opposed no. We are adjourned.
