Now the only reason you would consider this measure, the only reason you would consider this measure, now if that was a sign from someone, from what direction I don't know, but is as I have already stated, it is just the opportunity is here now. If we do not purchase this now, the developer who did purchase it in September, who's offering this piece of property to the state for the same price for which it was purchased in September, if we do not purchase it, he is going to redevelop it and it will be there 20, 30, 40 years, however long we do not know, and it will be that long, and, hopefully, maybe when I have as little hair as Senator Coordsen, and I am still involved in state government, I can get up and say, well, we had the chance way back when.
