LB 652, 715, 849A, 849, 854

652.

PRESIDENT MOUL: LB 652 advances. Senator Conway.

SENATOR CONWAY: Thank you, Madam President, members. As a point of personal privilege, I would like to draw attention to a handout that came out this afternoon so it doesn't get mixed up on your desk with lots of other things. There was a notice from the Government Committee with respect to the redistricting hearings of next week. Since we are under a great deal of pressure in terms of time, I have requested that anyone who has a district or redistricting plan that they would like to have part of that by Monday noon, whatever plan you have will not be part of the public hearing and, therefore, may be chastised that it has not had proper public scrutiny and the like. So, hopefully, you can have those to me by Monday in terms of your ideas. Thank you.

PRESIDENT MOUL: Thank you, Senator Conway. Mr. Clerk, do you have items for the record?

CLERK: Madam President, very quickly, amendments to be printed to LB 715 by Senator Beutler; Senator Warner to LB 849A and LB 849. That is all that I have. (See pages 2043-45 of the Legislative Journal.)

PRESIDENT MOUL: Thank you, Mr. Clerk. Senator Hall. Speaker Baack.

SPEAKER BAACK: Madam President and colleagues, just a brief announcement about the agenda that we have for tomorrow. We were able to work our way through a number of the appropriations bills today, which is a monumental task. We did a good job on that. There will be two appropriations bills on tomorrow. The two fee bills that were heard in committee have both been reported out, so LB 854 will also be added to your agenda for tomorrow. That will also be on there. My plan for tomorrow is to just work right through the noon hour and, hopefully, recess early afternoon sometime. With that, I move that we adjourn until tomorrow morning at 9:00 a.m.
