LB 829

SPEAKER BAACK: The motion carries. Technically now we are on the Schellpeper amendment because it is before us and technically we have not adopted it now that we have reconsidered the motion. So we are on the Schellpeper amendment. Senator Schellpeper.

SENATOR SCHELLPEPER: Mr. Speaker and members, due to the last vote, I will withdraw that amendment.

SPEAKER BAACK: The amendment is withdrawn. The next item on the bill, Mr. Clerk.

CLERK: Mr. President, the next amendment pending, again to refresh the members, Senator Hall and Will have an amendment pending, Mr. President, AM1772. The amendments discussed thus far have been amendments to that. The next amendment to the Hall-Will amendment is offered by Senators Schimek and Rasmussen, AM1805.

SPEAKER BAACK: Senator Schimek.

SENATOR SCHIMEK: Mr. President, would you pull that amendment, please.

SPEAKER BAACK: The amendment is withdrawn.

CLERK: Mr. President, the next amendment I have filed is by Senator Hefner. Senator, I have AM1813. I have a note here that you would like to withdraw it and substitute AM1874. Is that...am I...?

SENATOR HEFNER: Yes.

SPEAKER BAACK: Is there any objection? No objection, so ordered.

CLERK: Senator Hefner, I have AM1874 in front of me.

SPEAKER BAACK: Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, I appreciate you allowing me to substitute this because the original amendment that I had up there would not work into the Hall amendment as it was before. But this...let me explain what
