LB 355
LR 98

created primarily by virtue of the activities of the railroad. And the community of Allen is, this year in the month of July, going to be celebrating their 100th centennial for the activities and recognizing the churches, and recognizing the schools, and recognizing the various founders and leaders of the community who helped get them to experience and live their 100th year. So I offer this resolution in recognition to that community and hope that the body will support me in that endeavor.

SPEAKER BAACK: Discussion on the resolution? Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, I rise to support this resolution. I have a lot of friends in Allen, it's just across the county line, in Dixon County, and, of course, I live in Cedar County. But I praise Senator Conway for offering this amendment or this resolution. These small communities really take pride in their community, and a 100th anniversary is, indeed, quite worthy of this recognition. And so at this time I support this resolution.

SPEAKER BAACK: Thank you, Senator Hefner. Any other discussion on the resolution? If not, Senator Conway, do you wish to close? Waives closing. We will now vote on the resolution offered by Senator Conway. All those in favor vote aye, opposed vote no. We are voting on LR 98. Have you all voted? Record, Mr. Clerk.

CLERK: 22 ayes, 0 nays, Mr. President, on adoption of LR 98.

SPEAKER BAACK: LR 98 is adopted. Before we proceed to the next item of business, I would like to introduce a special guest of Senator Brad Ashford. CLERK: Mr. President, 355 was originally introduced by Senator Ashford and a number of his colleagues. (Read title.) The bill was introduced on January 16, referred to Judiciary Committee, advanced to General File. The bill was then considered, Mr. President, on March 27, March 28, and April 8. Senator Chizek had amendments that were adopted on March 28. There was a motion to bracket the bill by Senator Ashford that prevailed. The first motion I have this morning, Mr. President, is one by
