SPEAKER BAACK PRESIDING

SPEAKER BAACK: One minute.

SENATOR SCHMIT: ...it's only seven months until we get back here again. I don't think they can spend the money they got in the intervening seven months. They'd have to spend an awful lot of money from July until January to be in trouble. And, if they did, I will guarantee you that on June...July or January of next year I'll be back in here with egg on my face, wearing sackcloth and ashes and saying, Schmit was wrong, would you please give us the other million and a half bucks so that we can take care of this problem. It can be reconciled. So what have you got to lose? Nothing, except a couple million dollars, if you don't support my amendment. I ask for your support and a record vote, Mr. President.

SPEAKER BAACK: You've heard Senator Schmit's closing on his amendment. We will now vote on that amendment. And he has asked for a record vote. All those in favor vote aye, opposed vote no. Senator Schmit.

SENATOR SCHMIT: Mr. President, I know that time is important, let's have a call of the house and a roll call vote, so that everyone gets the opportunity to be on record.

SPEAKER BAACK: We have a request for a call of the house. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 11 ayes, 0 nays to go under call, Mr. President.

SPEAKER BAACK: The house is under call. All members, please report to the Chamber and record your presence. The house is under call. The house is under call. All members, please report to the Chamber and record your presence. The house is under call. Senator Hillman, would you please record your presence. Senator Schrock, record your presence. Senator Labeledz, record your presence. Senator Beyer, would you record your presence, please. Senator Withem, would you record your
