SENATOR WILL: Madam President, I move the advancement of LB 845 to E & R for grossment.

PRESIDENT MOUL: You've heard the motion to advance LB 845. All those in favor please say aye. Opposed nay. LB 845 is advanced. We will raise the call and I will recognize Speaker Baack.

SPEAKER BAACK: Thank you, Madam President and colleagues. I just wanted to kind of give you an indication of what I'm looking at for work the rest of the day. I would really like to see us stay here tonight until we can move the budget package. I would really like to see us do that. We're running out of time. We've got a lot of issues out there that we have to deal with, a lot of things on Select File we have to deal with. We need to get the budget package moved today. That's my intention, to try and do that today. Tomorrow, LB 829 will be ordered late in the day, and my intention then is to take that up, it will be around four or four-thirty when we take that up. And I intend to...I would like us to stay around until we're able to dispose of that bill, tomorrow. So we're going to have to put in some late hours, if we're going to get everything done. Thank you.

PRESIDENT MOUL: Thank you, Speaker Baack. Mr. Clerk, items for the record.
