LB 647A, 647

CLERK: Madam President, I have nothing further to the bill.

PRESIDENT MOUL: Senator Will.

CLERK: Well, Madam President, just a moment. Madam President, Senator Lindsay would move to amend the bill. (The Lindsay amendment, FA165, appears on pages 2379-80 of the Legislative Journal.)

PRESIDENT MOUL: Senator Lindsay.

SENATOR LINDSAY: Thank you, Madam President, and members, this amendment would simply add the severability clause on the case of constitutionality. The issue came up with the Beutler amendment. Haven't really had a chance to look to see if that causes any problems. But, in the event that it does, as far as whether the state can regulate the accreditation on the private side, that this would add the severability clause to protect in the case that that portion is unconstitutional. I don't know that it is. I would tend to think that it wouldn't...that it would be okay but this is just a just-in-case amendment.

PRESIDENT MOUL: Okay. Thank you, Senator Lindsay. Does anyone wish to address this amendment? Seeing none, we will vote on the Lindsay amendment. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Madam President, on adoption of Senator Lynch's amendment to the bill.

PRESIDENT MOUL: The amendment is adopted.

CLERK: I have nothing further to the bill, Madam President.

PRESIDENT MOUL: Senator Will.

SENATOR WILL: Madam President, I move for the advancement of LB 647 to E & R for Engrossment.

PRESIDENT MOUL: You've heard the motion to advance. All those in favor please say aye. Opposed nay. LB 647 is advanced. LB 647A.

CLERK: LB 647A, Madam President, I have E & R amendments, first of all, Senator.
